To Whom it may Concern

As a company it is a genuine pleasure that we write to recommend the services of Hilog (Heavy Industries Logistics) Kenya

We have been utilising Hilog to carry out International shipping, clearing and logistics services over the past few years and have always been completely satisfied with their performance.

They do an excellent job, are always punctual and professional in their dealings and offer very competitive rates for the services requested.

Hilog have a very good relationship with shippers, service providers and agencies involved in the International Logistics market and this makes dealing with them a pleasure, along with reducing the amount of additional required administration paperwork that we as a company have to deal with.

Matt is always available, very professional and able to use his vast experience and knowledge to assist us in our international requirements, point us in the right direction and offer cost effective solutions

We are happy to recommend the services of Hilog. If you have any questions, please feel free to contact us.

Sincerely,

Jonti Hobday
